

ESSEX WEEK TO BEGIN MONDAY

Five Points of Car Will Be Demonstrated in Several Spectacular Ways

Monday marks the beginning of Essex Week, a nationwide event in which the performance, economy and reliability of the Essex motor car will be demonstrated in numerous or less spectacular ways. "Watch the Essex this week" is the slogan which automobile dealers are conspicuously posting from the Atlantic seaboard to the Pacific coast. Ogdenville motorists and others who are interested in timely happenings will be given many opportunities during the week to learn about the Essex.

"The Essex Motor car," said W. J. Ross of the Ogdenville Motor Car company, "is really a marvelous car. It is, as is well known, one of the lighter cars. Its rapid rise to a position of high favor has been an interesting chapter in recent automobile history. It was designed by the same automotive engineers who make the Hudson what it is. The Essex factories at Detroit are in the same area and are controlled by the same owners as the Hudson plants. The car often spoken of as the 'Hudson's younger brother.' There are, in fact, five hundred parts which are interchangeable in the Hudson and Essex.

The car itself has distinctive lines that have made it well known on the highways. It has a pleasing squareness in outline and is painted a rich green. The hexagonal nameplate on the radiator resembles no other. The car is a quality product throughout. It has amazing power and flexibility, which accounts for the many unusual feats of acceleration and speed that are often spoken of. As a climber it has few if any equals. Its lightness gives it economy in gasoline and oil consumption and in tire mileage. The perfection of its design and construction given riding comfort and a feeling of security even at high speeds on the highway.

Tests have demonstrated that the Essex is a car of unusually long life, as evidence of this fact, one of the demonstrations to be made in this state will be with a car which has already had two owners, and has been driven 25,000 miles. It is still in perfect mechanical condition, and during the week will be put to a grueling test to demonstrate that fact.

Essex week begins tomorrow, until Saturday in all parts of the country there will be countless tests of the car's qualities. In Ogdenville there will be numerous events staged.

BALLROOM SCENE IN "APRIL FOLLY" IS BRILLIANT FEATURE

Marion Davies Charming as Ever in New Film of Love and Thrilling Adventure

One of the most elaborate ball room scenes ever screened is shown in Cynthia Stockley's "April Folly." Marion Davies latest Cosmopolitan Production, which is being released by Famous Players-Lasky Corporation and will be shown at the Alhambra theatre tonight. The scene takes place on a ship at sea. The deck is transformed into a Chinese garden, with hundreds of Chinese lanterns and tropical plants creating an Oriental atmosphere. Scores of "extra" take part in the dance, attired in lavish gowns, some of them including actress friends of Miss Davies who appeared before the camera for "the fun of it." Miss Davies herself, who, because of her experience in "Chin, Chin," and the Ziegfeld Follies, is thoroughly at home in any tropic scene, is a vision in a shimmering costume that will delight the ladies.

The scene brings to a climax the thrilling action of "April Folly." Cynthia Stockley's story of a beautiful American girl taking a famous diamond to South Africa in place of the car's daughter, whom she is impersonating. She is trailed by detectives and some notorious international thieves and escapes by a startling device. Conway Tearle is the leading man, and the picture was directed by Robert Z. Leonard. It is a Paramount Artcraft release.

Teachers of Hooper Ward to Meet Today

A convention of ward teachers will be held at the Hooper ward today. Meetings will be held at 2 a. m. and 2 p. m. Members of the Ward Teachers' committee, of which Elder George Shorten is chairman, will have charge of the convention. All ward teachers are invited to be present.

MEXICAN CONFESSES HE KILLED MAN AND WIFE

PHOENIX, Ariz., June 26.—Jesus Maria Barboza, a Mexican, has confessed to the murder of Jacob Ehrhardt and wife, June 6, according to a statement made by the county attorney today. Barboza, who was arrested in Nogales, is said to have confessed after being taken to the scene of the crime.

Don't Spoil Your Hair by Washing It

When you wash your hair, be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious as it dries the scalp and makes the hair brittle.

The best thing to use is Mulsified coconut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful of all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—Advertisement.

LAST & THOMAS The CLIMAX of BARGAINS

Will be found at this special value giving event complying the interesting facts. Quality merchandise at extraordinary reduced prices for quick selling. Substantial savings for everyone is the predominating features of this sale. Join the crowds that are reaping the benefit at these wonderful sale prices.

Perfect 'Atmosphere' in 'Bill' Farnum's Feature at the Ogden Today

Reports from the west coast studios of Fox Film corporation, where the new production, "The Orphan," was staged, indicate that this William Farnum picture is flawless in its atmosphere. Mr. Farnum will open in "The Orphan" at the Ogden theatre today.

BRYAN IS SELECTED BY NEBRASKA DELEGATION

SAN FRANCISCO, June 26.—William J. Bryan was today unanimously selected as Nebraska's representative on the resolution committee at a caucus of the Nebraska delegation. Several members of the delegation representing the Hitchcock faction, did not attend the caucus, which also chose former Congressman Dan V. Stephens as chairman and former Governor Shallenberger as vice chairman of the delegation.

'WAS AWFUL DARK,' SAY TOTS WHO DRIFTED 24 HOURS ON LAKE

Left to right: Richard, Merwin and Robert Deso, Captain Charles Merkle of the rescue ship City of Toledo, and Violet Hellyer.

TOLEDO.—After drifting for twenty-four hours on Lake Erie, Merwin Deso, 9, Richard Deso, 6, Robert Deso, 3, and Violet Hellyer, 11, are back on safe land and none the worse for their experience. The youngsters got into a boat at Lakeside, Mich., a summer resort, and paddled around with only a board for an oar. The craft finally drifted out into the lake and a day and night passed before they were picked up by the steamer City of Toledo.

While hobbling around on the waves Violet decided to get out and push the little boat to shore. It was way over her head and the three boys pulled her back into the boat. Late at night little Robert fell overboard and Merwin plunged in and saved him.

The children took turns watching for passing ships, while the others slept. All four agree that "it was awful dark out there" and they don't want any more boat rides.

KING ALBERT MAY TAKE TO THE AIR

BRUSSELS.—It is obvious people must fly," said Albert, king of the Belgians, and accepted a Bristol airplane as a gift from the Handley-Page company. He said he wanted bigger fuel tanks and dual ignition but no royal decorations.

CHINA FACTIONS NEAR REUNION

Northern and Southern Governments Negotiating for a United Republic

WASHINGTON, June 26.—Reunion of all except two of the southern Chinese provinces with northern China is forecast in advices received here today from Shanghai concerning the negotiations now nearing an end there between representatives of the northern and southern governments.

According to these advices, the southern leaders, becoming weary of the extortions of the military party in the south, decided upon the secession of all of the other southern provinces and their reunion with the north. It was charged that the military party were collecting all of the taxes and sending the money to Quing Tu, which is their stronghold, leaving the other provinces without resources.

MAINE CELEBRATING ITS ONE HUNDRETH BIRTHDAY

PORTLAND, Me., June 26.—Portland entered today on a ten days' celebration of its 100th birthday. It was on June 26th, 1820, that Maine separated from Massachusetts and officially became a state of the union.

The celebration got under way with the opening of an exposition of Maine's resources, conducted by the state chamber of commerce and agricultural league.

Roses are comparatively scarce in the southern hemisphere.

Try This if You Have Dandruff

There is one sure way that never fails to remove dandruff completely, and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—Advertisement.
